

What's in it for Realtors?

Prior to listing, learn about any **upgrades** made to the home

LOOK FOR THE EnerGuide Label

Has your client had an energy assessment done? Did they take steps in improving the energy efficiency of their home? Add their **EnerGuide** rating to the listing!

FIND OUT WHAT THESE improvements MEAN

From the basement to the attic, and everywhere in between, many energy-efficiency upgrades can translate into benefits for the next owner

GIVE buyers WHAT THEY WANT

An improved **EnerGuide** rating can help your clients improve their comfort, save money on energy bills, and reduce their environmental impact

SHARE EnerGuide WITH YOUR CLIENTS

Tip #1: An energy evaluation provides an easy-to-understand guide that will recommend improvements to your home

Tip #2: Many regional programs offer money to improve your home's energy efficiency

Learn how Natural Resources Canada's **EnerGuide** can help you market more energy efficient, more valuable, and more comfortable homes at nrcan.gc.ca/homes
